My Family:

My husband and I have lived in Truckee for 23 years. We raised three children here who have all graduated from college. They are now figuring out what they want to be when they grow up! It is an exciting time for them and us. We miss them, though. They are spread around the west in Santa Cruz, Seattle, and Big Sky, Montana!

My Childhood:

I was born and raised in California in the East Bay town of Orinda. My family frequently came to the Tahoe area, so I knew that someday I would live here permanently.

My Education:

After graduating from High School in Orinda, I attended the University of Colorado, Boulder. I then returned to California to get my teaching credential from Cal State Hayward.

My Favorite Things:

I love to spend time with my family and friends.

I love hiking, camping, reading, cooking, and snow.

I love the color green, rainbows, coffee, being outside, and my pets.
