## Reminders

-The 100<sup>th</sup> Day of school is just around the corner (Feb. 10<sup>th</sup>). To help celebrate, your child can put together a collection of 100 things to bring to class. Help your child put small items into groups of 10 to organize these collections. These can be put into baggies, or attached to a board. Bring your child's collection by Feb. 10<sup>th</sup>.

-We will be having a card exchange on Fri. Feb. 12<sup>th</sup>. Attached to this newsletter is a set of pictures of the students in the class. Please attach a picture to each card. This makes delivering the cards much easier! Your child's job is to sign their name on each one. Send the set of cards to school by Friday morning the 12<sup>th</sup>.
